DOMESTIC:
Ceramic hob
Oven
Dishwasher
Refrigerator
Freezer
Washer / dryer

TENDER(S) & TOYS:
Tender

2 × Seabob F5
Wakeboard
2 × paddleboards
Snorkelling equipment

Description

MARLEENA-A is a Pershing 7X that delivers exactly what the model promises—speed, control and a sharp, contemporary presence. Built in carbon and driven by twin MAN V12 engines with surface drives, she reaches 50 knots with ease while remaining composed thanks to advanced stabilisation. Her design is clean and deliberate, with a sliding roof and large glazing creating a strong connection to the sea. Exterior spaces are practical and well proportioned, from the cockpit to the bow lounge. Inside, the atmosphere is modern and restrained, offering a yacht that feels both fast underway and comfortable at anchor.

A BERTH in Moll Vell, Palma de Mallorca, optionally available as part of the purchase, adds immediate operational convenience in a prime Mediterranean location.
