Description

2010 Pershing 80, a remarkable motor yacht that embodies luxury and performance. With an impressive overall length of 24.50 meters, this vessel features a sleek fiberglass hull designed in a Deep Vee shape, ensuring a smooth and stable ride on the water.

Powered by twin MTU 16V 2000 M91 inboard engines, each delivering an exhilarating 2435 horsepower, the Pershing 80 is equipped with surface drives for exceptional maneuverability. With only 1350 hours of use, these engines promise reliability and power for your adventures.

Accommodating up to six cabins and four heads, this yacht offers ample space for relaxation and comfort. The hydraulic windlass enhances convenience, making anchoring effortless. The Pershing 80 is a perfect blend of elegance and performance, ready to create unforgettable memories on the open sea.
