POLY FORM C30 - 2 X 270 HP VM

We present the Poly Form C30 from 2007, an outstanding motoryacht that combines elegance and performance. With an overall length of 8.62 metres, this boat is built in durable GRP, ensuring solidity and reliability at sea.

Powered by two VM common-rail diesel engines, each delivering as much as 270 horsepower, the C30 reaches a cruising speed of 25 knots and a top speed of 30 knots, making it ideal for exciting adventures.

The yacht has two cabins and a head, offering comfortable accommodation for you and your guests; the refined design ensures a pleasant atmosphere and inviting spaces on board. Whether it is a relaxing day at sea or an exciting voyage, the Poly Form C30 is ready to meet your every need, offering style and performance in an exceptional package.

OTHER EQUIPMENT:
Monkita electric bow thruster
electric windlass
