The Princess 75 motor yacht "SORANA II" represents the perfect combination of exceptional performance and maximum comfort on board. With a length of 23 metres and an elegant design of timeless lines, this yacht stands out for offering a first-class cruising experience both during the summer season in the south of France and the Mediterranean and in the Caribbean during the winter months.

Life on board is designed to maximise enjoyment and privacy. It features a spacious bathtub, a luxurious main salon bathed in natural light and excellent outdoor spaces, including a generous flybridge and bow sunbathing areas, ideal for relaxing in the sun or enjoying al fresco dinners at anchor in idyllic coves. For leisure time on the water, the yacht has a complete selection of water toys, notably a GALA Viking tender, SUP boards, wakeboard, water skis and modern SUBLUE GO sea scooters.

The boat comfortably accommodates 8 guests in 4 cabins exquisitely equipped with high-end entertainment systems and en suite private bathrooms: a spacious full-beam master cabin, a VIP cabin forward, a double cabin to starboard and a twin cabin to port convertible into a double.

The true differentiating value of the "SORANA II" lies in its exceptional professional crew of 3, led by the experienced captain Jean-Marc Guevara, together with chef Mathieu Fiquemo and stewardess Veasna Chea. Their dedication, impeccable attention to detail and deep knowledge of both the most exclusive anchorages in the Mediterranean and the Caribbean islands guarantee a tailor-made experience that will exceed the highest expectations.
