Description

Proline 23 – 2007
A solid and reliable sport fishing boat, well known for its deep-V hull that delivers an excellent ride even in rough sea conditions, offering stability, safety, and comfort both underway and while fishing. It features spacious deck areas ideal for a fishing setup, large storage compartments, and a strong hull combined with dependable construction, making it suitable for both day trips and demanding offshore fishing excursions. This particular boat is powered by a 225 HP Suzuki outboard engine with only 380 operating hours, allowing for economical cruising at 24–26 knots at 4000 RPM.
The well-equipped package also includes a Yamaha High Thrust 9.9 HP auxiliary engine, Bennett trim tabs, electric anchor windlass, dual-axle trailer, Furuno NavNet TZT12 GPS/Fish Finder, Black Box Network Fish Finder DFF1, Airmar 600W transducer, Airmar 1KW transducer, and a solar panel.
The boat has VAT paid, is registered under the Greek flag, and is ready for immediate use.
