Description

2024 Riptide 20 has just arrived at Morgan Marine and offers an exceptional opportunity to own a locally built boat that perfectly combines performance, comfort, and versatility. Crafted by Blackwater Composites, the Riptide 20 has been designed to deliver a confident and capable ride, whether you're heading offshore in search of fish or enjoying a relaxing day on the water with family and friends. Powered by a reliable Suzuki DF60 outboard engine, this package provides economical performance and smooth handling, while the durable GRP hull ensures excellent stability and longevity. The spacious layout has been thoughtfully designed to maximise both fishing and leisure use, featuring comfortable bow seating complete with a wooden table, a pilot and co-pilot freestanding bench seat with cushion, and a stern seating. A console cover and stern bench seat cover are also included, along with a T-top frame with canvas, bollard cleats, ski pole, 9 inch Garmin chartplotter, Fusion audio system, and a ROKK USB phone charger. This Riptide 20 showcases quality craftsmanship and practical design, making it an ideal choice for anglers, families, and anyone looking for a capable, stylish all rounder. The boat would benefit from a bit of a clean, but otherwise presents a fantastic opportunity to own a well equipped, modern package. Available now at Morgan Marine.

Deck:
GRP hull. Bollard cleats 1x forward and 2x stern. Rubbing strake. Bow locker with storage. Anchor, chain and rope. Large cockpit open area. Stainless Steel stern ski pole. Console and stern bench seat cover.
