Ready for immediate sailing.**

Description

RM Yachts RM 1270 - 2017

RM Yachts RM 1270 built in 2017, located in Marmaris, Turkey.

This is a fast, modern and well-maintained performance cruising yacht, built using RM’s recognised epoxy/wood composite construction. She combines strong sailing performance, practical offshore capability and comfortable accommodation in a bright 3-cabin layout.

The yacht has a hull length of 12.12 m and an overall length of 13.18 m including bowsprit. Beam is 4.35 m, draft is 2.25 m and displacement is approx. 7,200 kg.

She is powered by a Volvo Penta D2-55 diesel engine, 55 hp, from 2017, with approx. 850 engine hours. Manoeuvring is made easier by bow and stern Jet Thrusters.

Accommodation includes 3 cabins and one shower/toilet compartment. Comfort equipment includes air conditioning, electric toilet, premium audio system, comprehensive navigation package and one electric winch.

Recent upgrades include full repaint in 2026, new antifouling in 2026, new forestay and backstay in 2025, new sprayhood and tent in 2025, new bimini in 2025, all sheets and halyards replaced in 2024, and an additional air-conditioning duct to the forward cabin in 2025.

The sail inventory includes mainsail 2024, Jib 2 2024, Jib 3 2024, A3 2018, A2 2025, A0 2025, heavy-weather jib 2024, staysail 2020 and wind seeker 2026.

Presented in very good technical and visual condition, this RM 1270 is ready for immediate sailing and is an excellent choice for owners looking for performance, comfort and independence.
