Description

Sargo 36 “Okapi II” – Scandinavian quality yacht for all weather conditionsThe **Sargo 36** is known as one of the most robust and seaworthy motor yachts in its class. This high-quality Scandinavian motor yacht combines speed, comfort, and safety in a timeless design that is perfectly suited for both coastal waters and extended voyages on the open sea. The offered **Sargo 36 “Okapi II”** from 2017 is in well-maintained condition and is equipped with powerful twin **Volvo Penta D6-330 engines** , ensuring excellent performance and a comfortable cruising speed.

Thanks to the award-winning deep V-hull design, the Sargo 36 offers an exceptionally stable and smooth ride, even in challenging weather conditions. With a top speed of approximately 40 knots and a cruising speed of around 28 knots, this motor yacht combines sporty performance with efficient sailing. The vessel was built by **Sarins Båtar Oy Ab** in Finland and holds CE Category A certification, making her suitable for ocean sailing and severe weather conditions.

The spacious and bright wheelhouse forms the heart of the ship. Large panoramic windows provide excellent all-round visibility and create an open connection with the water. The large sliding roof brings extra light and ventilation on board, while the sheltered design allows for comfortable sailing in every season. The spacious aft deck offers ample room to relax or enjoy a pleasant dinner outdoors.

Inside, the Sargo 36 exudes quality and functionality. The warm woodwork and practical layout create a comfortable atmosphere on board. The vessel features two full-sized cabins and offers sleeping accommodations for up to six people. Additionally, there are two electric toilets and a separate shower, making longer stays on board particularly pleasant.

This Sargo 36 is also fully equipped technically. The twin Volvo Penta D6-330 diesel engines each deliver 330 hp and are coupled to Volvo Penta sterndrives with duoprop propellers for optimal grip and maneuverability. Furthermore, the vessel features a bow thruster, heating, inverter, shore power, battery charger, and extensive Garmin navigation equipment including GPS, radar, chart plotter, and autopilot.

With its combination of luxury, reliability, seaworthiness, and Scandinavian build quality, the Sargo 36 is an ideal choice for water sports enthusiasts looking for a fast and comfortable motor yacht for long voyages, weekend cruises, or adventurous travel.

The **Sargo 36 “Okapi II”** is ready for viewing in the sales marina of Delta Marina in Kortgene and is definitely worth a visit.
