Description

MEDISTAR
is a classic motor yacht built in steel, designed for comfortable cruising at a leisurely pace of 8 to 10knots, with a remarkably low fuel consumption of just 50 liters per hour. If your ideal escape is about unwinding andenjoying the pleasures of the Mediterranean at a relaxed rhythm,
MEDISTAR
is a perfect opportunity for your nextholiday.
Originally built for a prestigious family of industrialists,
MEDISTAR
offers comfortable accommodations for up to sixguests in three well-appointed cabins.
The upper deck features a cozy salon with a circular sofa and a dining table for 6 to 8 guests. A charming English-style bar area faces the galley and enjoys forward-facing views, creating a warm and sociable atmosphere. Generoussunbathing and lounging areas both on the sundeck and forward allow for long, relaxing days under the sun.
This classic motor yacht also includes a crew cabin for two, ensuring a smooth and pleasant onboard experience.
Don’t miss the opportunity to visit her.
MEDISTAR
is currently under a leasing contract that can be transferred to the new owner.
