Description

Presented in exceptional turnkey condition, this Sanlorenzo SL88 has undergone a thorough 2024 refit that refreshes both performance and aesthetics to modern luxury standards. With significant technical upgrades and a fully renewed interior finish, she offers a rare chance to own a timeless Sanlorenzo model that feels contemporary, reliable, and ready for private cruising or charter.

2024 Refit Highlights

New generators installed for dependable onboard power.
Brand-new Seakeeper stabilizer fitted for enhanced comfort at sea and at anchor.
New hydraulic swim platform for effortless tender handling and waterside access.
Interior completely repainted with elegant, modern finishes, creating a bright, up-to-date ambience throughout.
Every system has been meticulously serviced or renewed, ensuring the yacht delivers outstanding reliability, comfort, and style.
Performance & Engineering
Powered by twin MTU 16V 2000 M90 engines (1,800 hp each), the SL88 cruises comfortably at 24 knots with an approximate range of 400 NM. Her deep-V planing hull and proven shaft-drive layout provide confident handling in Mediterranean conditions, while recent mechanical upgrades support efficient, low-maintenance operation.

Layout & Accommodation
The SL88’s classic Sanlorenzo profile combines sleek exterior lines with generous interior volume. She accommodates up to nine guests in four ensuite cabins, plus four crew cabins, making her ideal for family use or luxury charter in the Greek islands and beyond.

Highlights:

Impeccable condition with significant recent investments
Twin MTU 16V 2000 M90 engines (1,800 hp each)
Seakeeper stabilizer for superior comfort, anchor and underway
New generators for optimal reliability
New hydraulic swim platform
