Description

NEW on offshore boats: even 10 or 11 day charter or charter from Wednesday to Wednesday are available on request!!
All photos are ORIGINAL PICTURES of our boats.

A Humble Space-Wonder

The Star 1670, two of which we have, is similar to the 1520 concerning the concept and the equipment. However, it has a further, (4th) cabin with its own bathroom and altogether 7 beds, if you don’t use the lounge for sleeping. It also has a seating bathtub. The roomy cockpit with an external refrigerator is covered with a hardtop, so you can invite friends from the neighbouring ships and make many friends. Being half gliders the Staryachts are not really the fastest, but if you choose an economic speed (8 to 15 knots) you will save fuel and money. The hydraulic gangway makes every shore leave easy. The yacht is also equipped with a **4-stick gear shifting**, an autopilot and a generator.
If you want to save some fuel: This yacht needs only 15 to 20 l fuel per hour at a cosy trawler speed
