Other information	***This text has been translated automatically.*** **The Tjerk Hiddes meets all current safety requirements set by the Netherlands and is inspected annually for this, under the auspices of I,Lent.**

Description

This text has been translated automatically.

The Tsjerk Hiddes is a robust ship with excellent sailing qualities and behaves very calmly on the water. The rigging is well thought out, clear and easy for guests to operate. Take control of the ship yourself and decide where you want to go! Together with your friends, family, colleagues or acquaintances, you can enjoy the voyage, the ship, the comfort and the beautiful surroundings.
In addition to sailing, we can dry out on the Wadden Sea and spend the night at anchor on open water. Special programmes such as meetings, seminars, incentives, presentations and weddings are also possible on board and can be arranged to your requirements. The Tsjerk Hiddes is also suitable for corporate groups, for example for special workshops and team-building seminars. The saloon is located in the deckhouse, where the large windows offer a view of the water or the harbour and let in plenty of light. Here you have a Smart TV and DVD player at your disposal, for example to watch a film in the evening. There is also a bar with a beer tap, a small freezer for ice cubes and a wine cooler. The galley is fitted with every convenience and offers plenty of workspace. In addition to a large gas cooker with six burners and a large gas oven, you have a coffee machine and a professional dishwasher at your disposal. The refrigerator offers enough space to take provisions for the whole week. This makes you independent of supermarket opening hours and means you do not need to be back in harbour on time if you want to sail an extra day, dry out or anchor.
The ship has 12 cabins, six for two and six for three persons. The three-person cabins have a small double bed (1.20 m - 1.30 m wide) and a single bed above it. The two-person cabins have a bunk bed. IMPORTANT: Groups consisting mainly of adults are advised to occupy the ship with a maximum of 24 persons. Then everyone has their own bed. With 30 persons, two people sleep in the double beds. What is special about the Tsjerk Hiddes: All cabins are fitted with a spacious shower and toilet and a silent ventilation system. On the deck there is a seating area with benches and a table.
