Sails	**roller-furling mainsail, roller-furling genoa (electric)**
Layout of the boat - cabins	**aft cabin, bow cabin, guest cabin, owner cabin**

Description

The Sunbeam 39 is a premium, center-cockpit bluewater cruising yacht manufactured by the Austrian shipyard Schöchl Yachtbau. It is highly regarded for its robust build quality, excellent weight distribution, and comfortable ocean-going capabilities. Built to Germanischer Lloyd and CE Class A (Ocean) certification, the 2008 model sits toward the end of this highly successful production run (1994–2010), benefiting from refined construction techniques and updated modern layouts. The center-cockpit layout provides an elevated, secure helm position while maximizing interior living volume, especially in the aft section.
