Description

Sunreef 70 Sail ANKAWER VI is one of the most luxurious sailing catamarans available on the market, representing Sunreef Yachts – a global leader in the segment of exclusive, custom-built catamarans. The 70 model sets new standards in modern yachting, combining generous space, outstanding build quality, and advanced technology with exceptional charter comfort.

This brand-new yacht (2025) accommodates up to 9 guests in 4 spacious cabins, each with a private en-suite bathroom. The interior is bright and contemporary, designed with a strong focus on functionality and natural light, characteristic of the latest Sunreef NEXT line.

The layout offers a level of comfort comparable to a boutique hotel on the water. The expansive outdoor areas include a large aft cockpit with a dining area, a foredeck relaxation zone, and a flybridge with lounge spaces and panoramic views. The catamaran delivers exceptional stability both under sail and at anchor, making it an ideal choice for family charters or discerning guests.

ANKAWER VI is equipped with recreational water toys, including kayaks and paddleboards, while a professional crew ensures a high standard of service and a seamless charter experience. This yacht is designed for those who expect the highest level of luxury, space, and quality — without compromise.
