Description

The Sunreef 80 Eco catamaran with fully electric propulsion and innovative integrated solar panels is a truly exciting vessel for those who want to enjoy absolute comfort on board an eco-friendly yacht. The Sunreef 80 catamaran promises absolute comfort while minimizing environmental impact, offering a serene and silent cruising experience that enhances tranquility on board: spacious living spaces that redefine relaxation on board. Numerous relaxation areas abound, from a cozy sofa in the bow and a table ideal for sunset drinks, to a vast flybridge equipped with abundant sun loungers and a dining area aft. This layout ensures that every guest can find their own space to relax and enjoy the panoramic views. The salon, reserved exclusively for guests, features a well-equipped bar and an entertainment system with TV, creating a welcoming and comfortable atmosphere. The catamaran not only offers exceptional luxury, but also a cruising experience for those who prioritize sustainability. Guests on board will enjoy pure fun thanks to the wide selection of water toys. Sunreef 80 Eco is available for charter with 4 crew members in the Caribbean during the winter and in the Mediterranean during the summer season.
