HERMINE 47
Fully integral aluminium sloop with insulation.

GAELNAUTISME is delighted to present to you, exclusively, this very fine boat designed by the architect F. Lucas.
The Hermine 47, built by Technimar in St Malo, has features that make it capable of sailing in demanding conditions.
A sailboat with timeless aesthetics, it is built to go anywhere, ice included.
Powerful and stiff under sail, it provides comfort and safety in all conditions.
The boat presented is unique in its level of presentation and equipment.
An opportunity not to be missed, as only five Hermine 47s have sailed around the world and only one is currently available for sale...

French flag.
EU VAT paid.
Viewable in Le Havre from early September.
