Details

Boat ID	**s322033**
Designer	**Guido de Groot**

Technical data

Draught	**2.30 m**
Water tank	**12,000 ltr**
Fuel tank	**33,000 ltr**

engine

Model	**Volvo Penta D16-MH 16,0l 6 cil**
Power	**651 hp (479 kW)**
Model	**Volvo Penta D16-MH 16,0l 6 cil**
Power	**651 hp (479 kW)**

Equipment

Navigation	**AIS - Automatic Identification System (AIS Class A ComNav Voyager X3), autopilot (Simrad), echo sounder, fish finder, GPS, Intercom, on-board computer, on-board phone, plotter (Simrad), GPS plotter, radar, rev indicator, rudder angle indicator, sea charts, speed log, SSB - single side band, VHF radio (Simrad), wind indicator**
Technical equipment	**220V plugs, air conditioning, anchor, battery, battery charger, bilge alarm, automatic bilge pump, electric bilge pump, manual bilge pump, davits, generator (2 x 55 kw - Nothern Lights M1064T2 230/400V), hour meter, inverter, position lights, bow thruster (60 HP Hydraulic Proportional Bow Thruster), stern thruster (60 HP Hydraulic Proportional Stern Thruster), under water light, warm water system, watermaker (Sea Recovery Aqua Matic)**
Deck equipment	**bathing ladder, bathing platform, boat crane (Feebe DCT 70 SWL 1500KG), deck shower, dinghy (Custom Jet Tender 10 Person), fenders, gangway, jet ski (Yamaha FX Cruiser Super Charged), suncushion, teak deck**
Interior equipment	**barbecue, cockpit table, dishwasher, dryer, freezer (Siemens), heating, icemaker, microwave (Miele), oven (Miele), refrigerator (Siemens), electric toilet, washing machine**
Entertainment instruments	**DVD, satellite system, satellite internet, satellite phone, television, satellite TV antenna**
Safety	**dan buoy, EPIRB, fire extinguisher, fire extinguisher system, fog horn, gas detector, life belts, life jackets, life raft, life ring, MOB system, radar reflector, safe**
Persennings	**bimini top, full cover, sun shade**

Description

VAN DER VALK SANTA MARIA T | 36.8M OCEAN-GOING EXPLORER

First Owner | VAT Paid | Ocean Going | 3,600 NM Range | 320 GT

Santa Maria T is a 36.8-metre Van der Valk Explorer, delivered in 2015 to her first and only owner. Built in steel with an aluminium superstructure, she combines genuine ocean-going capability with exceptional comfort, volume and distinctive Dutch design.

With 320 GT, 33,000 litres of fuel and a range of approximately 3,600 nautical miles, Santa Maria T is designed for extended passages and long-range exploration. Her twin Volvo Penta D16 MH engines deliver 651 hp each, supported by two 55 kW generators. At cruising speed, with both generators running, fuel consumption is approximately 90 litres per hour in total, making her remarkably efficient for a yacht of this size.

Santa Maria T was the first yacht delivered with a two-axis fin stabilisation system, providing stabilisation both underway and at zero speed without compromising performance.

Her interior, designed by Guido de Groot, is immediately distinctive. The striking Art Nouveau style creates a warm and highly individual atmosphere throughout, with the spacious main saloon connecting seamlessly to the aft deck through large four-way folding stainless-steel doors.

The aft deck features a generous eight-person dining area, creating an inviting space for outdoor dining and entertaining.

Accommodation is provided for up to eight guests and six crew, including the captain. With her generous volume, robust construction and long-range capabilities, Santa Maria T offers a compelling combination of exploration, comfort and character.

First owner, VAT paid and comprehensively equipped, Santa Maria T is ready to take her next owner far beyond the usual cruising grounds.

SPECIAL FEATURES

* 36.8m Van der Valk Explorer
* Delivered 2015
* First & only owner
* VAT Paid
* Ocean-going capability
* Approx. 3,600 NM range
* 320 GT
* Steel hull & aluminium superstructure
* 2 × Volvo Penta D16 MH – 651 hp each
* Rating 1 Continuous Duty certified main engines
* Approx. 90 L/hr total fuel consumption at cruising speed, including generators
* 2 × 55 kW generators
* 33,000 L fuel capacity
* Two-axis fin stabilisation – underway & zero speed
* Guido de Groot design
* Up to 8 guests / 6 crew
* Spacious aft deck with 8-person dining area
* Generous engine room with excellent access
