Wally One is much more than a charter sailboat: it is the first yacht of the legendary Wally line, an icon of nautical design that marked a before and after in the world of sailing maxi-yachts. Built in 1991 and given a complete refit in 2022, this 25.15-metre sailing yacht today offers a unique combination of sailing performance, contemporary elegance and on-board comfort.

Her deck, spacious and uncluttered, is designed for enjoying the sea at all times: an outdoor dining area sheltered by a awning allows long lunches in the open air, while the “bean bag” cushions and poufs create an informal and very cosy space to relax while sailing or at anchor.

Below deck, Wally One keeps the warm character of a classic with a modern touch: wood panelling, a bright saloon thanks to large windows letting in plenty of natural light, and comfortable lounge areas for a quiet conversation, a book or dinner below deck. Accommodation for up to 6 guests in 3 cabins — one master cabin with a double bed and two cabins with single beds — all looked after by a professional crew of 4 who take care of handling, service and comfort on board.

True to her DNA as a racing maxi-yacht, Wally One offers agile and exhilarating sailing, while always maintaining the level of safety and comfort expected from luxury charter. On board you will find an attractive selection of water toys such as wakeboard, snorkelling gear, fishing equipment, a towable donut, tender, paddle boards, water skis and towables, so that every day at sea is different.

In summer, Wally One cruises the western Mediterranean, with a particular presence in the Balearic Islands, a perfect setting for this type of sailing yacht: from Mallorca and its Tramontana mountain range seen from the sea, to the transparent waters of Formentera, the hidden coves of Ibiza or the quietest corners of Menorca. An ideal yacht for sailing lovers who want a boat with soul, history and a high-level service.
