Description

The Zeeschouw Trijemanskip is equipped with a Nanni Diesel engine with 29 HP, a great small traditional sailing ship with a large cruising area. In view of its dimensions, it is perfectly suited for the Frisian lakes and canals (a good option for guests who are not yet very experienced in flat-bottom sailing), but certainly also a suitable flat-bottomed sailboat for the IJsselmeer and the Dutch Wadden Sea. In short: a fantastic holiday ship. The saloon offers enough space for up to five guests, and here you will also find the fully equipped galley with gas cooker and refrigerator. Two crew members can sleep on the two benches, the Vooronder offers three more guests a berth, a double bed and a single berth can be found here. This Zeeschouw is also a very suitable beginner's ship for keel yacht sailors to take their first steps on a flat-bottomed boat. It is a handy flat-bottomed sailboat, clearly arranged rig, not too big, but spacious enough for a crew of up to 5 persons. Suitable for the Frisian inland waters, the IJsselmeer and, if the weather forecast is good, also for the Wadden Sea. The name Trijemanskip was thought of by the former owner, it is Frisian and means three-man ship. The old owners have three sons and they many family cruises with their ship. Now in winter 2020/2021 the Zeeschouw will be completely overhauled and prepared for charter in Heeg. This traditional sailor is handed over to the guests by the new owners Akke and Eeuwe de Jong in Heeg. They operate a motor service and maintenance company for boats and ships, the guests can trust to take over a technically perfect and safe sailingboat.
