Opis

Southwest Boats, representing AB inflatables in Portugal, presents the Navigo 14 VS.

The most spacious fiberglass RIB on the market.

With its unique forward-hull design, our full-featured Navigo is the most spacious fiberglass RIB on the market. Ready for whatever comes its way, this is the ideal tender for a day trip to the beach, an adventurous morning of snorkeling, or simply transporting family and friends in style. Everything about the Navigo speaks to convenience and practicality. The Navigo has 820 CSM Orca Coated Fabric which brings extra protection and with-it greater resistance and durability.

Southwest Boats and Ondanáutica offer support that extends well beyond your purchase. We provide tailored brokerage services and represent leading international marine brands.

Our portfolio includes Astondoa Yachts, Dufour Yachts, Cervetti Catamarans, Ranieri International, AB Inflatables, Italboats, Narwhal and Satellite Trailers.

Through our boatyard, you also benefit from an established network of premium marine brands, alongside specialist servicing and maintenance for Mercury, Honda Marine, Tohatsu Marine, Volvo Penta, Yanmar, Cummins and Vetus.
