Whether you’re planning unforgettable family cruises or wish to entertain guests in style – the Absolute 62 FLY offers exceptional comfort, innovation and performance.

Contact us today to arrange a private viewing.

Absolute 62 Fly – as good as new, available immediately!

3 guest cabins with 3 bathrooms and 1 crew cabin with bathroom/WC

Propulsion

Volvo Penta engines: 2 × D11-IPS950 (2 × 533 kW / 2 × 725 hp)

Technical Specifications and Deck

Air conditioning in the fourth cabin with split system (50/60 Hz)

Ultra-stainless steel anchor (45 kg / 99 lb) with anti-fouling chain stanch and swivel

Black, self-polishing anti-fouling (excluding propeller)

Bow thruster with dual controls on the flybridge and main deck

19 kW Onan generator (230 V/50 Hz) with exhaust and water separators and Racor fuel pre-filter – an upgrade on the standard specification

Barbecue in the wet bar on the flybridge

Lighting package: interior lighting along the floor, deck and flybridge; two anchor lights; three white underwater lights at the stern; blue LED lighting at the helm on the main deck

Electro-hydraulically retractable stainless-steel gangway with teak decking and handrail

Hydraulic swim platform, load capacity 450 kg (990 lb), with solid teak flooring and ladder

Seakeeper 9 gyroscopic stabiliser

Access to the starboard side deck from the helm via a manual door with an integrated manual window (instead of the electric window)

Fourth aft cabin with two beds, walnut furniture, wardrobe, opening porthole, large window with roller blind, HPL flooring, separate bathroom with WC, washbasin and shower, independent access from the aft platform and a door-opening alarm at the helm

Safe in the owner’s cabin

Dishwasher (50/60 Hz)

Washer-dryer (230 V/50 Hz) in the fourth aft cabin

Heated towel rail in the owner’s cabin bathroom

Removable stainless steel handrail for the swim ladder

Waterproof 230 V socket in the cockpit

Covers and sunshades

Electric awning on the flybridge

Pearl grey upholstery for the flybridge bar, sofas, table and sun lounger; cockpit sofa and cushions; bow sofa and sun lounger

Fibreglass hardtop with electric soft top and dimmable ceiling lights

Wraparound hardtop trim
