Opis

You are viewing a model presentation.

Of course, you can put together the Lagoon EIGHTY 2 completely according to your wishes. From layout and equipment to upholstery, materials and exclusive finishes – there are virtually unlimited possibilities to fully tailor this exceptional yacht to your personal lifestyle and sailing wishes.

For more information, tailor-made advice or putting together your ideal superyacht, you are welcome at Nautical Quarter Stavoren. We are happy to guide you through the entire process: from the first meeting to the final delivery.

Lagoon EIGHTY 2 – A new level of luxury at sea

The Lagoon EIGHTY 2 represents the absolute top segment within the world of luxury catamarans. With her impressive dimensions, refined elegance and unparalleled living spaces, this superyacht offers a unique experience for owners who only settle for the very best.

Every line of the EIGHTY 2 exudes calmness, class and modern design. The yacht is designed to combine long voyages across the world's oceans with the comfort and luxury of an exclusive waterfront villa.

GENEROUS LIVING SPACES WITH PANORAMIC VIEWS

On board the Lagoon EIGHTY 2, space is key. The huge saloon is the heart of the yacht and offers impressive panoramic views thanks to its generous windows that let in abundant natural light.

The open connection between saloon, cockpit and outdoor decks creates a harmonious living environment in which indoor and outdoor living come together seamlessly. Luxurious materials, refined finishes and timeless interior design create an exclusive atmosphere on board.

EXCLUSIVE FLYBRIDGE AND RELAXATION ON THE WATER

The EIGHTY 2's flybridge provides an exceptional space to relax, dine or enjoy the sea views on the go. Comfortable lounges, generous sun decks and stylish seating areas make this floor one of the most popular places on board.

The foredeck is also designed as an exclusive relaxation area, where comfortable lounges and sunbathing areas invite you to completely unwind in absolute privacy.

A SUPERYACHT-LEVEL OWNER'S SUITE

The Lagoon EIGHTY 2's owner's suite offers an unprecedented level of luxury, space and comfort. Large windows provide spectacular sea views and create a bright, serene environment.

In addition, the yacht has spacious guest cabins with high-quality finishes, luxurious bathrooms and plenty of privacy for every guest on board.

PERFECT BALANCE OF PERFORMANCE AND COMFORT

Despite its impressive size, the Lagoon EIGHTY 2 offers excellent handling, stability and comfort in a wide range of conditions. Thanks to Lagoon's efficient design and expertise, you can enjoy relaxed and safe passages, both on short trips and long ocean voyages.

The yacht is designed for effortless living on board, where comfort, luxury and functionality come together perfectly.

A SUPERYACHT FOR GLOBAL ADVENTURES

The Lagoon EIGHTY 2 is more than a catamaran – it's a floating habitat where freedom, luxury and adventure are key. Whether you dream of exclusive destinations in the Mediterranean, the Caribbean or distant ocean voyages, the EIGHTY 2 will take you there in ultimate comfort and style.

With the Lagoon EIGHTY 2 you will experience the highest level of luxury on the water.

What is your next destination?

You will discover it with the Lagoon EIGHTY 2.
