Pokrowce	**sprayhood (Helm enclosure)**
Żagle	**elektryczne kabestany, grot listwowy, lazy bag, lazy jacks, roller genui**

Opis

2020 ROBERTSON AND CAINE LEOPARD 50 - 4 Cabin Version – Gone With The Wind

BUILDERS REMARKS: With versatility in mind, we bring to you the next generation of Leopard Catamarans, the Leopard 50. She has been designed to replace one of the best-selling Leopard Catamarans of all time, the award-winning Leopard 48. The Leopard 50 has the ideal layout for anyone looking for more outdoor living space as she comes equipped with a flybridge that includes a lounge area, table, sunbed and optional exterior speakers and shade awning. Access is provided by floating stairs leading up from the aft cockpit. An important distinction compared to similar sailboat flybridge configurations is that while under sail, passengers can move about the flybridge with ample headroom and never worry about interference from the boom. The flybridge is also situated to still maintain contact with the helm station, an important feature found on all Leopard Catamarans.
BROKERS REMARKS: Gone With The Wind is a 2020 Leopard 50 in the 4-cabin owners layout (starboard-aft owners with walk-in shower), located in Saint Martin. Asking price is USD 629,000. Twin Yanmar 4JH57 diesels (57 hp each) with about 2,125 and 2,126 hours, 9 kW generator (about 8,376 hours as of July 2025; make not shown in Propulsion), air conditioning, and the 50’s forward cockpit and flybridge living. Left the Saint Martin charter fleet on 31 July 2025 after a local refit; awaiting phase-out for the next owner.
AVAILABILITY: This yacht left the Saint Martin fleet on 31 July 2025 and is awaiting phase out for immediate sale. Contact the Fort Lauderdale office to schedule a viewing.
