Açıklama

Exceptionally robust 50ft aluminium sloop. Built by Yachtwerft Kuenemund, a shipyard specialized in aluminium yacht construction. Equipped with a high-quality aluminium mast by Gross, this is a true go-anywhere liveaboard yacht, designed and proven for serious offshore passagemaking. She has recently completed two Atlantic crossings without a single technical issue, demonstrating her reliability and offshore capabilities. Well maintained, with recent standing rigging and fresh antifouling, she is fully prepared for departure. Interior video available on request. Located in Faro, Portugal
