Açıklama

MAXIMA 620 RETRO MC – NEW READY FOR DELIVERY
Classic elegance, modern solutions and a space optimization that will surprise you. The Maxima 620 Retro MC (Mid Console) revolutionizes the concept of the compact boat, offering the charm of a traditional motorboat combined with modern practicality.
The real innovation of this model lies in its outboard motor, cleverly hidden in the locker under the rear sundeck. This ingenious solution gives the boat an extremely clean and elegant exterior line, while reducing engine noise to ensure relaxing cruising.
On board, the livability is unparalleled. Despite its small size, the boat is designed to offer a high level of conviviality: the large circular lounge and sofas allow a large number of people to sit and sail in maximum comfort. It is the perfect boat for family days out or sunset aperitifs with friends, enjoying a space that is usually only found on larger hulls.

Commercial Conditions:
Availability: Immediate (READY FOR DELIVERY)
Price: VAT excluded, delivered ex service to our store.
Water test: A water test can be carried out on request (paid service). In the event of a subsequent purchase, the entire cost of the test will be deducted from the final price of the boat in the event of purchase.
